To Whom It May Concern:

I am pleased to provide this letter of recommendation for RhythMasters. Draper Aden Associates booked the group for our 35<sup>th</sup> Anniversary celebration for clients and staff held at Maymont Nature Center in October, 2007. Needless to say, this was a very important event for us, and RhythMasters' straight-ahead jazz was invaluable to creating the perfect atmosphere and to making the celebration a terrific success. Tommy Daughtrey and the entire band were both talented and professional, even in the face of dreadful weather conditions that evening!

I would not hesitate to recommend them to any group seeking terrific musical entertainment provided by true professionals.

Sincerely,  
**DRAPER ADEN ASSOCIATES**
