

THE MARTIN AGENCY

January 21, 2004

Dear Tommy,

Thank you so much for playing at our holiday party this year. The staff thoroughly enjoyed themselves and I've received endless compliments. Aside from the fabulous music, I was impressed with the RhythmMasters' professionalism and ability to read the crowd. You really set the tone and helped make our event a success.

We really appreciate it and hope you can come entertain us again soon.

Sincerely,

Carmina O. Drummond
Vice President
Director of Operations
