Director
Science Museum of Virginia

July 26, 2006

To whom it may concern:

It is my pleasure to write this letter of recommendation on behalf of the band "Rythmasters." I have booked the band for many events including the General Assembly reception that honors the Governor of Virginia and his family as well as the members of the general assembly and their families. I have also booked the band for a party to celebrate the opening of the new concourse exhibits at the museum. The band has provided wonderful music for events with 900 people as well as events with 100 people. They always play a variety of music that pleases listeners with various musical tastes. I receive endless compliments anytime I have the Rythmasters perform and they always add to the ambiance and liveliness of the event.

I would highly recommend the "Rythmasters" for any event. I cannot wait until they entertain us again at our next event!!

Sincerely,

Cristin C. Drummond
Director of Special Events
