To Whom it May Concern:

It is an honor to recommend the highly talented group, Rhythmasters. Timmons Group was fortunate enough to book them as entertainment for the Open House of our Downtown Richmond Office in February 2003. Approximately 300 guests attended this event including prominent city officials and business leaders. The sounds of Rhythmasters contributed to our Open House being a huge success that was truly a magical evening.

This group is comprised of very talented and professional musicians and it is with great pleasure that I encourage you to book Rhythmasters for your event.

Sincerely,

Kathy Meadows
